Summary	Individuals with mental illness are a diverse group of people, with a wide range of talents and abilities. They work in all sectors of the U.S. economy, from the boardroom to the factory floor, from academia to art. Employment not only provides a paycheck, but also a sense of purpose, opportunities to learn and a chance to work with others. Most importantly, work offers hope, which is vital to recovery from mental illness.
Does the paper refer to People with Mental Health Problems, NEETs or MH NEETs?	People with Mental Health Problems
